

HDi Video Wall Display 55"

Code: HDI-55-Video Wall

HDi Video Wall Displays ideal for reception areas, control rooms and large meeting and presentation spaces.

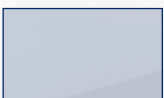

HDi's new professional narrow-bezel LCD displays are the perfect solution for video wall applications in corporate and education.

Our video wall solutions consist of an arrangement of 55" LCD displays with LED backlights, combining high brightness and 1.07 Billion colours with a super narrow inter-tile gap for excellent visual performance.

Depending on the size of your space, the 55" HDi video display can be paired in different configurations including: 2x2, 3x3 and 4x4.
